LinkedIn Learning

Focused soft skills library,  
under 400 courses, no clutter.

### Number of Courses

10,000–200,000+ courses,  
overwhelming to navigate.

Created by professional trainers  
with real-world experience.

### Content Created by

Independent instructors,  
mixed quality.

Curated pathways in 16 categories,  
structured and ready to use.

### Topics

Must search and build own  
learning path.

Full library access, one simple license.

### Access to Library

Pay per course or enterprise license.

In-house quality control on all  
content.

### Content Control

Inconsistent standards, little oversight.

Flexible, use on LP or your  
own LMS.

### Flexibility

Rigid and hard to customise.

Clear, flexible pricing options.

### Pricing

Complicated subscription models.

Open to content ideas and  
suggestions.

### Content Production

Instructors upload their own content.

Direct access to our team and  
directors.

### Support & Contact

Hard to reach real people.

Short, focused videos,  
under 10 mins.

### Course Duration

Long, time-consuming courses.
